

THE 6TH INTERNATIONAL CONFERENCE ON INTERDISCIPLINARY RESEARCH AND INNOVATIONS (ICIRI 6.0)

We're proud to announce that our [Laura Iuliana PETRACHE](#) , has been invited as a Keynote Speaker at the prestigious 6th International Conference on Interdisciplinary Research and Innovations (ICIRI 6.0), hosted by La Consolacion University Philippines – a beacon of academic excellence and future-shaping research. Laura will bring B1-AKT's vision to the global stage, sharing powerful insights on:

- Innovating for **positive impact**
- **Leading transformation** through clarity
- **Designing purpose-driven strategies** for complex systems

At [B1-AKT Leading Sustainable Strategies & Paragon Communication](#)-AKT, we believe innovation is not just about technology—it's about regenerative thinking, inclusive collaboration, and building systems that serve people and planet. Laura's keynote embodies this mission. Thank you to [La Consolacion University Philippines](#) and the Office of the Vice-President for Research and Innovation for this incredible opportunity to contribute to global dialogue and interdisciplinary breakthroughs. Special and warm thank you to [Mark Rey Santos](#) and [Mariefe Cruz](#) for their sustainable impact and their brilliant work.

B1-AKT AND LCU UNIVERSITY ON SHORT

B1-AKT is the peak global body for the development of sustainable solutions to the effects of complexity. We work with companies and institutions to develop strategic responses to maximize their impact through sustainable solutions & ecosystems. We are bringing them to their highest level, developing and improving their leaders, people, culture, systems and processes.

LCUP is a leading Catholic Augustinian-Marian institution dedicated to forming individuals who can respond wisely and compassionately to the complexities of modern life. We work with learners, families, and communities to foster holistic development and strengthen academic, ethical, and spiritual foundations rooted in Gospel values. We guide students toward their highest potential, developing their character, leadership, skills, culture, systems, and purpose.
